Field Trip/Service Learning Permission Form 2013 - 2014

From time to time during the school year, your student's class may be taking a field trip or may be participating in a Service Learning activity. Your signature on this form is necessary for your student to accompany his/her class on such trips. You will receive notification from the school prior to each trip regarding all details, but a separate permission form will not be required.

Some field trips/activities will be within the New Prague area and students will be asked to drive on their own. Students with signed permission will also be allowed to transport other students if necessary.
