New Prague Alternative School
Open Lunch Permission Form
2013-2014

The New Prague Alternative School adheres to a closed lunch policy. All students will be expected to remain on campus during the designated lunch period. As an incentive for positive behavior, class participation and attendance, students may be able to EARN the privilege of open lunch on designated days. This incentive will be available for students who are 16 years and older and meet the following criteria:

- 1. The student is passing all classes they are currently enrolled in with a grade of 70% or higher.
2. The student is in attendance regularly, and has remained within the attendance policy without being placed on an attendance contract.
3. The students is actively participating in the classroom and school community as well as refraining from behaviors that would jeopardize their enrollment in the NPALC.

Students meeting these criteria will be eligible for Open Lunches designated by ALC Staff. Those students earning open lunch will be required to eat their lunch prior to their return to school and are expected to be back at school on-time following their lunch period. Students are also expected to make positive choices for behavior while they are on Open Lunch. Failure to follow the expectations of Open Lunch will result in a student losing their privilege for the remained of the trimester.

A signed permission form must be on file prior to students being allowed to leave campus during the day.
