BEST BUY - Reward Zone Program for Schools

Reward Zone Program for Schools works the same way as the Reward Zone Program - for every 250 points the school's account accrues, they will receive \$5 in reward certificate value. Certificates can then be redeemed by the school for products and services that will help enhance the school environment. This program is available at the south metro Best Buy stores including Lakeville, Apple Valley, Burnsville, Shakopee and Mall of America. When you check out, make sure to tell the cashier you would like to donate your Reward Zone points to Eagle View Elementary.
