Board Elections/Re-Elections – Current board members ran for re-election and no other names were submitted for election. The by-laws will be looked at in the fall to vote on changing 1-year terms for board members to 2-year terms.

Fundraisers

- The PAC Board proposed that a given percentage of the fundraising income will be reserved each year to help support the future of the students.
- The PAC would like to focus on one large fundraiser a year and for the 2014-15 school year. The Chip Shoppe will be the main fundraiser. Jean Schmidt will interview four different companies to see what they have to offer Eagle View. There is a possibility that a new fundraiser will take place during the 2015-16 school year.
- Scripts Fundraising – Gift Cards that pay 3-20% back to the school. Board is looking into this as an additional fundraiser.

Target® Corporation Grants – Has grants available for schools. It was discussed about applying for a grant to help pay for the fourth grade Kindness Retreat or clay for next year's art project. Sherry Brooks is looking into the grants.

6. Unfinished Business

Peaceful Playground – Ideally, the PAC would like to see the playground resurfaced before Peaceful Playground stencils are applied. Mr. Remmert is looking into this with Buildings and Grounds. After this has been completed, Mrs. Giles will send out dates and times for the project to begin.

Tree Trust Program – Next meeting is April 16, 2014 at 8 a.m.

- Request for hotdogs and drinks for volunteers - **Approved.**
- Looking into having popsicles for students. Will see if Fish Rock will donate.
- T-shirt request - **Not Approved.**
 - Water bottles were approved up to \$1,000 – **Approved.**
- Request for potting soil and sunflower seeds - **Approved.**
 - Each student will plant a sunflower seed in a cut milk carton and take home.
- Board requested the Green Team Committee submit budget/cost for future growth of tree trust.

Family Fun Night – Was successful and everything ran smoothly this year.

- However, some parents had concerns about little kids (3-4 year olds) being run over by older kids in the gymnasium area.
- 324 pre-sold meal tickets were sold before the event.
- On the night of the event, 298 pre-sold tickets were collected and an additional 192 meals were sold that night. (There were also 74 single slices of pizza sold as well.)
- A total of 516 meals were sold.

Next meeting will be in the fall of 2014.

Jean Schmidt adjourned meeting at 7:30 p.m.
