

Eagle View Elementary Volunteer Opportunities

Get Involved!

Welcome families! We have many opportunities available at Eagle View for you to become involved with. With a tight school budget and economy, we need volunteers more than ever! Volunteers can help “lighten the load” so teachers can concentrate on teaching. We realize, however, that each of our families are unique – with your own priorities, needs, talents, and time constraints. Knowing that, we are compiling an email list that will go out each time we need volunteers. If you can volunteer, that’s great! If you cannot, that’s okay too! Some examples where volunteers are needed:

- Picture Days
- Book Fairs
- Short Notice/Same-day Projects
- Family Fun Nights
- Fundraisers (counting money, sorting orders)
- And many more!
