GUIDANCE OFFICE

Last Name A-HA: Mr. Bartusek

Last Name HE-O: Ms. Hengel

Last Name P-Z: Ms. Erickson

Social Worker: Ms. Hennessy

Counselors are available to help all students with academic issues, personal and social concerns, and post-high school planning. In an individual session, a student may talk with a counselor about any topic that is important to him/her. Topics that students often talk about include things such as: family/friendship issues, problematic behaviors like chemical abuse or absenteeism, grief and loss, concerns about progress in school, how to apply to any college, how to decide what to do after high school, and how to get information on various careers.

Counselors also conduct large-group guidance activities. The Sophomore and Junior Information Night programs are highly informative. Each 10th and 11th grade student should attend the post-high school planning sessions in the fall. All students meet with counselors during January to review their high school plan, check their credit

progress, and choose classes for the following year. Various sessions throughout the year allow counselors to share information with a large number of students.

HEALTH SERVICES

Nurse: Ms. Tisdel 952/758-1206

A health assistant (Licensed Practical Nurse) staffs each nurse's office to administer medications, provide first aid for injuries and care for students who become ill at school. This is done under the supervision of the district licensed school nurse. All student entering grades 9-12 are requested to complete a confidential health history update form annually. Individual and emergency care plans are required for certain health conditions; contact the District Health Services Director at 952-758-1760.

Illness

Ill students will be allowed to rest in the nurse's office for 20 minutes. After 20 minutes a student will return to class or a parent will be contacted and asked to pick up the student or give permission for the student to drive themselves home, if the student is unable to return to class. **A student who leaves the building without a principal's or nurse's permission will be unexcused upon returning to school. If a student is sent home due to illness by the school nurse, the earliest they may return to school or activities is the following day.**

Many students and parent are concerned about when a student should stay home or attend school. The following information is intended to help with this decision.

- If the student has had a fever of 100 degrees or more, this student should stay home for 24 hours after the temperature returns to normal without medication.
- If the student has vomited or had diarrhea, he/she should stay home until 24 hours after the last episode.
- If the student has any rash that may be disease-related or the cause is unknown, check with your health care provider before sending him/her to school.
- If the student has open/draining skin sores or inflamed/draining eyes or ears the student should stay home until seen by your health care provider.

Medications

Under stated law, strict requirements regarding the dispensing of medication in school exists.

- All medication must be brought to the nurse's office in its original container with the appropriate label from the pharmacy. Over the counter medication (Tylenol, Advil, Ibuprofen, etc.) must be in the original container labeled for that medication.
- A Medication Administration Form must be signed by the doctor with the medication order and parent's written authorization for all medication, prescription and over the counter. When the student has been prescribed an antibiotic; oral, injection or drops, they must have taken the medication for 24 hours before returning to school.

Immunizations

Minnesota Statutes chapter 121A requires that all children who are enrolled in a Minnesota school be immunized before starting school. These requirements can be waived only for medical reasons or if you are conscientiously opposed to a particular immunization. New Prague Area Schools adhere to the "NO Shot, (or proof of exemption), No School" Policy. No child, unless he/she meets allowable exemptions, will be allowed to attend school if those records are not up to date. All students must have the required immunizations in order to pick up schedules to begin the school year.

EIGHTEEN YEAR OLDS

Minnesota Law 120.06 states that school districts may impose the same rules and regulations on students 18-21 years of age as those imposed on students under 18. All New Prague High School students are expected to adhere to the same set of policies and guidelines.

FIRE DRILLS/CODE RED

It is required by law to conduct fire drills/code red drills during the school year. When the alarm sounds, each class should walk rapidly to the nearest exit. All school personnel should advance a minimum of fifty feet beyond the point of exit. When the building has been cleared, bells will ring indicating that students should return immediately to class. Detailed information for evacuating the building will be given early in the school year. Consequences of setting a false fire alarm will follow the District Discipline Policy.

LEAVING THE BUILDING

Occasionally, students will need to leave the building during the school day. All students leaving the school will be required to have parental permission and to have a signed pass from the office. Consequences for not complying with this policy will be assigned by the Principal/ Assistant Principal.

LUNCH POLICY

New Prague High School has a closed lunch period. All students are offered a hot lunch through the School Lunch Program. All students, including those receiving free or reduced lunch, must pay for ala carte items. The school lunch is a prepaid program. There is an automatic calling system that will notify families when their account reaches a \$20.00 balance per family. Money should be sent at that time to prevent the loss of lunch privileges.

PARKING

Students who drive to school need to purchase a parking permit. The permit will cost \$120.00 for the year/\$40.00 per trimester. For the 2013-2014 school year student parking will not be assigned and will be on a daily first come, first choice basis. Students will again need to complete and return the enclosed parking permit registration form and \$120.00 to the New Prague High School office. This can be done beginning on Monday, August 5, 2013. Upon turning these items in at the high school office, the student will receive a parking permit, which will allow them to park in any numbered spot from 1 to 529 each day. *(The permit will have a number on it, but the number will have **no** relevance as to where a student can or should park.)*

- **Students need to make a point of having their permit displayed to assist in the monitoring of the lot. After one warning, failure to display the proper permit can be grounds for towing of the vehicle.**
- **Students may only park in numbered spots from 1 to 529. There is absolutely no reason for a student to be parked in a staff, handicap or visitor parking spot.**
- **We will be monitoring the parking lot randomly to check for vehicles that do not have permits and are not to be parked on school grounds. Students will be warned once, but then run the risk of having their vehicle towed if they park on school grounds without purchasing the proper permit.**
- **Students are responsible for being aware of the parking rules established on the parking registration they are signing and returning.**
- No students are allowed to park in Visitor Parking.
- Parking passes must be displayed on the vehicle's rear view mirror at all times.
- Students drive and park at their own risk. The district accepts no responsibility for damage caused to cars in the parking lot.
- Exhibition or careless driving may result in loss of parking privileges or a formal complaint filed with the police.
- Students **are not permitted to loiter** in the parking lots during the school day.
- As with all other district owned property, inspection of the parking lots may be conducted by school authorities for any reason, at any time, without notice, without student consent, and without a search warrant. The personal possessions of students in the parking lot (the car itself, the trunk or bags in the car or trunk) are searched when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules.

- Tailgating is allowed in the NPHS parking lot ONLY.
- Tailgating must end before the start of the event/activity.
- NO open fires or grills are allowed on school district property.
- Failure to purchase a parking permit will result in a verbal warning.
- New Prague High School in accordance with city ordinances does not allow snowmobiles on school property.
- **Students who violate school parking regulations could have their vehicles towed.**
- **Students/Parents will be responsible for the cost of the tow.**

This process allows for input from staff, administration, curriculum director and Advisory Committees. The school board also recognizes that it has the authority to make final decisions on selections of all textbooks and instructional materials. A student or parent may request alternative materials when the adopted materials are incompatible with their values or beliefs. Final decisions are made by the school board. (Full policy available upon request from High School Office or District Office.)

ATTENDANCE

It is the responsibility of the students, parents/guardians and the school to assure that the student attends school every day classes are in session. Absence for whatever reason is detrimental to a student's success. It is the student's responsibility to make up all work missed due to absence. In accordance with the regulations of the State Department of Education and the Minnesota Mandatory Attendance Law (MN. Stat. 120A.22), students are required to be full time students and attend all assigned classes every day school is in session. **Any student enrolled in PSEO courses, work experience programs, or on-line courses not affiliated with New Prague High School may not be in the building without prior authorization during those periods due to a lack of supervision and potential disruption of the educational setting.**

The administration has the right to determine the acceptability of using school time for personal business. Parent absence requests may be denied or counted as unexcused if they are for reasons other than those listed below:

EXCUSED ABSENCES MAY INCLUDE:

- illness of a student
- extended illness (doctor verification may be required)
- death of a family member
- required court appearance
- pre-approved/planned absences: The student is responsible for presenting the Office Permission Slip to their teacher in order to obtain assignments for the time that he/she will be absent, this includes school related activities, dental/medical appointments which cannot be scheduled outside the school day, and vacations.
- Any other absences that are PRE-approved by the administration. Written application for approval of vacations days must be submitted to the school office by a parent/guardian.

UNEXCUSED ABSENCES MAY INCLUDE:

- oversleeping
- car problems/trouble
- missing bus
- skipping class
- leaving the building without office permission
- “personal” -- if an absence is absolutely necessary but the reason is too delicate or sensitive to discuss, the parent should call the principal who will ask for just enough information to determine that the absence should be excused.

Parents should discuss, before the absence occurs, any other absences not mentioned above with the Assistant Principal.

For students’ absence to be excused, the parent or guardian shall notify the school by phone the morning of the absence. (952/758-1205)

WHAT TO DO IF ABSENT

Attendance procedures are designed to address the problems of absenteeism at New Prague High School. School absences may result in one or all of the following:

- Parent notification by phone call, written communication and/or a conference.
- Remedial Intervention: detention, in-school suspension, referral to nurse or STAT team.
- Required medical verification for illness.
- Referral of student and parent for truancy to Juvenile Court, in accordance with Minnesota Statutes.
- Referral to County Social Service Department for further investigation.

Excessive absences are a concern to all involved with the student’s education. When an absence is necessary, the parents or guardian must notify the school explaining the reason for the student’s absence.

- The school **requires** a phone call as early as possible. Office hours are 6:45 AM to 3:30 PM. Voice mail will be checked for those parents calling before the office is open. Absences not reported by parents will be recorded as unexcused. **THE ATTENDANCE LINE PHONE NUMBER is 952-758-1205.**
- The school has the right to verify any and all absences. *(The school will make the final determination if the absence is excused or unexcused.)*

- Students returning to school from an absence need to report to the attendance window for an “Admit to Class/Office Permission Slip”.
- Homework - if a student is absent due to illness, homework may be obtained by checking their Moodle site

PRE-EXCUSED ABSENCES

Appointments with a doctor, dentist, campus visits, etc., should not be made during school hours. However, if a student must be absent from school, parents/guardians are to call the Assistant Principal's office and make arrangements for the student to obtain an office permission pass that will allow the student to leave the classroom/building. **Students must obtain an office pass before leaving the building and check in upon return.** The administration reserves the right to deny requests to leave the building.

Students who become ill or injured while in school must report to the Nurses Office before going home.

COLLEGE VISITS

Students are allowed a combination of 3 (three) college visits during their junior **AND** senior years. Additional days may be used with school approval. Parents should notify the attendance secretary in advance of the visit.

CO-CURRICULAR ACTIVITIES/ATHLETIC PARTICIPATION

Students must be in by the beginning of third period and remain in class for the remainder of the day in order to be eligible to practice or participate in athletics or co-curricular activities that day. If the nurse sends a student home, he or she is not eligible to participate in athletics or activities that evening. Full day attendance is expected of students in co-curricular activities or athletics following an event. Students not complying could potentially lose the opportunity to participate in their next event.

STATE TOURNAMENT ATTENDANCE

Students may be excused to attend championship competition. The administration will determine at what time students may leave. Students **must bring a note from parent/guardian** and purchase an advance sales ticket from the activities office the day before or the morning of the event to be excused. If tickets are sold out at the school, a ticket stub from the contest site following the event will be required. Students arrange their own transportation. Students may be excused only for championship competition when New Prague is competing.

- Varsity team members and cheerleaders may be excused to attend state tournaments in their sport.

MAKE UP POLICY

- Make-up work for all absences must be completed. Failure to complete make-up work will result in an incomplete or failure in the course. Due to the nature of some activity and lab courses, make-up work may not be available.
- Student must confer with their teachers prior to all pre-excused absences including those related to school activities and state tournament play. The make-up date must be established at this conference and may not be the same as the absence policy.
- Students who are out of school suspended may be required to have their make-up work completed upon returning to school.
- The student should make every effort to schedule routine non-emergency appointments outside the school day.
- With excused absences of up to five days, the student will have the number of days missed plus one day to make up the work upon returning to school. (ex. 2 days missed – 3 days to make up work)
- When excused absences of more than five days occur, teachers and student should set a time limit that is mutually agreeable. If make up work is not finished within the time limit, a zero will be given for those assignments.

- Unexcused absences - when a student has an unexcused absence, after school detention may be used and the student will be given a zero for the days' work.
- Vacations – when students miss due to vacation, it is left to teacher's discretion if the make-up work is assigned prior to vacation or after returning. Due date should be agreed upon at the time of assignment.

TRUANT ABSENCES (MN. STAT. 127.20)

All absences not otherwise excused are unexcused. Following the 3rd unexcused absence within the school year, a truancy petition will be filed with the County Court Systems. Examples of unexcused absences may include but are not limited to oversleeping, car trouble, ride did not come, baby-sitting, missed bus, skipping class, shopping, personal, or any other absence the administration judges as unexcused.

If a student is absent without lawful excuse on three or more class periods on three school days, they are considered a continuing truant. Habitual truancy will be filed on a student who is absent without an excuse for one or more class periods on seven school days. The school is required to report that the student is in violation of the state law on compulsory education to the County Attorney's office.

Any student who leaves school without permission from the office for any purpose will receive an unexcused absence. Parents/guardians may not excuse a student for leaving the building if the office has not been notified **prior** to the student leaving. Students who are ill during the day are required to check out through the nurse's office.

TARDINESS

Reporting late for school, classes or any other required activities without approval of the school personnel would be counted as an unexcused absence. **For purposes of definition: tardy is reporting to class/school 20 minutes or less after the beginning of the class period.** Absences of greater than 20 minutes will be considered absent. Three unexcused tardies will count as one truant (unexcused) absence with the teacher assigning the consequences. Teachers will inform students of their individual tardy policy and post that policy in the classroom. Students with six tardies will be referred to the Assistant Principal.

EXCUSED ABSENCES

When excused absences reach seven (7), the classroom teacher will notify the Assistant Principal. At that time the appropriate placement will be determined. Options may include:

- Student will continue participation in the classroom based on the guidelines set out at a meeting involving the teacher, student, Assistant Principal and parent.
- At the discretion of the instructor and Assistant Principal, student may audit the class for the remainder of the trimester. Audit of the class will be done on a Pass/Fail basis (70% is passing).
- Student may be removed from the classroom and placed in the School Within a School with STAT Team referral.
- A student shall be granted additional excused absences related to a parent's deployment to combat zones at the discretion of the administration to visit with his or her parents or legal guardian relative to such leave or deployment of the parent or guardian. Notwithstanding the above, the administration may provide a maximum number of additional excused absences.

UNEXCUSED ABSENCES

- After school detention may be assigned for unexcused absences.
- Each unexcused absence will result in loss of participation points which would affect the student's grade.
- Unexcused absences in excess of four may result in one or more of the following:
 - Student will lose credit in the class.

- An F or NG will be assigned based on performance in the class at the time of the fifth unexcused absence. Student may be assigned to ISS for the rest of the trimester.
- Student will continue to participate in the class based on guidelines set at a meeting involving the teacher, student, Assistant Principal and parent.

BEHAVIOR EXPECTATIONS, CONSEQUENCES & POLICIES

It is an honor for all students, staff and support staff to be able to work and be educated in this facility. Our District and Community have sacrificed to give New Prague High School a facility that shows a commitment to education.

It is imperative that this facility is maintained to the highest standard possible. Therefore, we need to have a common understanding of the basic concepts of expectations and consequences for behavior in our classrooms and throughout the building. **If a student's off-campus speech or behavior results in "substantial disruption of the learning environment" the student can be disciplined.**

The following is a general description of New Prague High School's building and classroom expectations and consequences when inappropriate behavior occurs.

- *On school property at any other time when the school is being used by a school group.*
- *Off school property at any school activity, function or event.*

The use of ear buds in classrooms will be at the teachers' discretion. However, for safety reasons ear buds will not be allowed outside of classrooms during the school day. New Prague High School assumes NO RESPONSIBILITY for the loss or theft of any electronic devices nor is it obligated to investigate any loss or theft. If you are concerned about loss or theft, *leave the device at home.*

COMPUTER AND INTERNET USAGE

The use of NPHS computer technology is a privilege, not a right. Students who use the school computers responsibly and adhere to the school Acceptable Use Policy (AUP) will maintain the computer privileges. The official Acceptable Use Policy (AUP), which is lengthier and more detailed, can be reviewed by requesting it in the high school office, media center, and computer labs.

Students who use the Internet for study and research are agreeing to follow and adhere to the AUP. We, as a school district, are striving to educate students using the vast amounts of information available. It is essential that students maximize this learning opportunity while developing the skills necessary for evaluating the quality of information now available. By using the computer technology, students are acknowledging there is additional academic responsibilities that comes with using the internet.

Students also agree that when using this technology it will be for educational purposes only. This means that there will be no e-mailing (unless part of a classroom assignment), no playing of games, no downloading of extraneous files, no chat rooms, and no hacking.

Students who do not follow the AUP will lose their computer privileges. For the serious offenses, students will lose their privileges for six (6) months (1st offense) and/or for one full school year (2nd offense). For lesser offenses (e-mail, game playing, chat rooms, downloading files, etc.) students may lose their privileges or be assigned detention. Criminal prosecution, fines, suspension or expulsion and community service will also be assessed to those students who are found guilty of serious abuse of their computer privileges.

A student shall not steal or damage private property on the school property or during a school activity, function, or event off school property. Any destruction of private property must be paid for by the student.

DESTRUCTION OF SCHOOL PROPERTY

Accordingly, if a regulatory inspecting agency observes the practice of service food obtained from sources, which do not conform to the requirements discussed herein, this situation would be construed as a violation of Minnesota Department of Health Rules, Chapter 4625.3201, subpart 1, and appropriate remedial action would be required to be taken. All food to be shared with other students must be commercially prepared, pre-packaged, unopened, when possible, individually wrapped **and must meet the**

requirements of the Nutrition Education Guidelines. (Policy 533) This action is needed in order to take a firm preventative stand against the spread of germs and disease.

Possession, use, or sharing of cameras, phones, or other electronic devices in locker rooms and physical education classes is strictly prohibited.

SMOKING POLICY

Smoking and chewing tobacco are against state law and not allowed on school property at any time. Possession and/or use will result in confiscation of items and further disciplinary action including parental notification and police referral. MSHSL rules will also be applied.

STUDENT DRESS

There is a special concern about student dress and grooming as it influences the health and safety of students as well as its affect on the learning process. The school expects students to dress in a clean, safe, and school appropriate manner. Clothing which is disruptive or displays improper language or graphics will be not allowed. There is a special concern about excessively revealing clothing including backless and low cut tops. Clothing that exposes your shoulders or abdomen is not acceptable. Student skirts and shorts will be of a length that covers to at least the mid-thigh area. Sagging pants that show undergarments will not be allowed. Sunglasses may not be worn in the building. Students will not be allowed to wear on their person any chains, spikes, or any gang related articles or dress. **Dressing in this manner is disruptive to the educational process and New Prague High School reserves the right to send a student home for appropriate dress.** In addition, state regulations must be followed

such as wearing of shoes. During the school day, caps, hats, hoods, bandanas, or other head coverings are not to be worn by students.

All students will be issued a photo ID at the start of each school year. This should be carried at all times and shown if requested by any staff member. **Student ID's will be necessary to attend school dances.**

STUDENT LOCKERS

School lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. The inspection of the interior of lockers may be conducted by school authorities for any reason, at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials. Students may be held responsible for damage done to his/her locker.

TEXTBOOKS

Students are responsible for all books checked out to them. The school may charge a fee for lost or damaged textbooks, workbooks, or library books.

VERBAL ABUSE/PROFANITY

All language used at any time in school is expected to be appropriate. Consequences will follow District Discipline Policy.

NEW PRAGUE HIGH SCHOOL DISCIPLINE POLICY

STATEMENT OF POLICY: This discipline policy applies to New Prague High School.

It is the position of School District #721 that a fair and equitable high school discipline policy will contribute to the quality of a student's educational experience. Without discipline in the schools, learning cannot occur. Therefore, this high school discipline policy has been adopted.

The school board and district administrators will support district personnel who, in dealing with students in disciplinary matters, act in accordance with state statute, state board of education regulations, and this policy.

RULES OF CONDUCT: Students who have been expelled and/or excluded from District #721 will be re-admitted to New Prague High School only after the preparation. This plan shall include measures to improve a student's behavior and requires parental/guardian involvement in the admission or re-admission process.

In accordance with the Minnesota Pupil Fair Dismissal Act, students of the District may be suspended, expelled or excluded for the reasons delineated below in addition to other situation which fall within the grounds contained in the Minnesota Fair Pupil Dismissal Act:

- Willful violation of any reasonable school district regulation
- Willful conduct materially and substantially disrupting the rights of others to an education and
- Willful conduct which endangers the pupil or other pupils, or the property of the school.

In addition to the grounds for suspension, expulsion or exclusion, the District may take other disciplinary action for any violation of school rules or other disruptive or dangerous conduct.

If a suspension occurs, reasonable efforts will be made to contact the parents/guardian prior to a child being suspended from the building.

Disciplinary action may be taken as a result of any behavior which is disruptive of good order or which violates the rights of others. The acts set forth in the disciplinary policy are unacceptable and subject to disciplinary action in school buildings, on the school buses, school grounds and at school sponsored activities.

The listing of actions does not require that a “step-by-step” progression of increasing severity be employed by an administrator in dealing with a violation. There shall be a logical relationship between the severity of the offense and the administrative action. Administrators have broad discretion to impose penalties more severe than the minimum actions listed. In unusual situations, administrators may also impose discipline less severe than the minimum consequences listed.

In the event that a student has engaged in the same or similar behavior in the past or has engaged in persistent violation of school rules, the maximum penalties shall be increased to expulsion or exclusion for one calendar year. Nothing in this policy shall prohibit the School District from taking immediate action to protect individuals and property from harm. Nor shall this policy be construed to prohibit the School District from expelling students from behavior not specifically set forth if such conduct

- Materially and substantially disrupts the rights of others to an education; or
- Endangers the pupil, other pupils or individuals or property of the school.

DEFINITION OF CONSEQUENCES: In the following policy “suspension” is defined as in or out-of-school suspension. Suspension means an action taken by the school administration, under rules promulgated by the school board, prohibiting a pupil from attending school for a period of no more than ten school days. If a suspension is longer than five days, the suspending administrator must provide the superintendent with a reason for the longer suspension. In no event shall suspension exceed 15 school days, provided that an alternative program shall be implemented to the extent that suspension exceeds five days. (A one-day suspension is for a consecutive period of time equivalent to one school day. For example, if a student is suspended at noon, he or she may be suspended up until noon on the following school day.)

Expulsion is action taken by the school board to prohibit a student from further school attendance for up to one school year from the date the student is expelled.

Exclusion is an action taken by the School Board, pursuant to the Pupil Fair Dismissal Act, Minn. State #127.26, et seq, to prevent enrollment or re-enrollment of a pupil for a period of that shall not extend beyond the school year.

In addition to the consequences detailed, administration may respond to student misbehavior in a variety of ways which include, but are not limited to, parent conferences, mediation, restitution, reports to probation services, criminal reports, community service, fines, loss of driving and parking privileges and chemical evaluation.

Administrators may involve the police and other law enforcement authorities as necessary. If a student violates a district rule, which is also a violation of a law, the student will be referred to the police in addition to being dealt with as described in this regulation.
