

# [ GET AHEAD OF ] CONCUSSIONS

Thursday, April 11, 2013, 7 p.m.–8:30 p.m.

Jameen Mape Conference Center, Mayo Clinic Health System  
301 Second Street NE, New Prague

**Athletes, parents, coaches and teachers,** arm yourself with the facts about concussion before it hits. Attend this FREE community presentation to learn:

- Can a concussion be prevented? How?
- Why are repetitive concussions more dangerous?
- Is it possible to fully heal after a concussion?
- What are schools doing to identify and protect student athletes with concussions?

Winnie Pao, M.D.  
Neurologist  
Mayo Clinic Health System

Kimberly Penkert  
Certified Athletic Trainer  
Mayo Clinic Health System

Kayla Meyer
